R.&F.D.

C.S.'s instructions on pre-page.

2. The case pertains to more than 10 years back and there were three-four officers working during which the concerned Accountant has indulged into the irregularities for which an enquiry was held and he was dismissed from service because he was found to be responsible for misguiding his superiors. It is difficult to understand why only Dr. Nand Kishore has been chosen for action by PCCF. This shows that the PCCF has either worked under some extraneous influence or he has been nursing some grudge against Dr. Nand Kishore.

3. On some occasions I have found PCCF's actions strange and erratic. Some of the standing orders issued by him are of an objectionable nature. It has also come to the notice of Government that Shri M.K. Sharma got his personal house at Nashik repaired at Government cost and leased it to Conservator of Forests, Wildlife, Nashik, who is his subordinate, for his office and started taking rent from Government without receipt of certificate of reasonability of rent from P.W.D. and without taking prior approval of Government. The concerned files are being submitted separately.

4. In the circumstances explained above and the fact that the documents submitted by PCCF do not show any collusion on the part of Dr. Nand Kishore in the present case, I recommend that the case may be closed.
